

## *Charitable Giving Campaign*

Every year, in the spirit of the holidays, AIFS initiates the Charitable Giving Campaign. AIFS will match every dollar donated by its employees, up to \$250 from now until **December 4, 2015 for donations made in 2015**. You can make a donation(s) to your favorite not-for-profit charities and provide HR with the proof of payment, or include a check to send along with the AIFS match (**\$25 minimum donation per charity**). Please complete both forms per donation below in its entirety and return to the HR department by **December 4, 2015**. Please include proof of non-profit status (501(c)(3)). Matching contribution will be made prior to the end of the year.
