General Information

The Gift Matching Process

- An eligible participant makes a contribution to an eligible non-profit organization.
- The donor registers a matching gift request with AllianceBernstein using this Internet site or by calling 1-888-389-6282 from 8 a.m. to 7 p.m. EST Monday – Friday.
- AmeriGives contacts the recipient organization to confirm that it has received the eligible participant's gift.
- Following receipt of verification by the recipient organization, gift will be approved for payment. Matching gifts are paid on a monthly basis to the charities for gifts approved in the previous month.
- Gifts must be registered for matching with AmeriGives **within one year** from the gift-giving date.

Eligible Organizations

Any civic, cultural, health and human service organization recognized as a 501(c)(3) or 170(c) public charity by the Internal Revenue Service, including most colleges and universities. Private schools with a 501(c)(3) designation and all public schools including day care and K12 are also eligible. Organizations classified as private foundations are not eligible. AllianceBernstein will match gifts to qualified institutions affiliated with religious organizations, but will not match gifts made directly to religious organizations. You may verify an organization's IRS status through the Guidestar Web site at www.guidestar.org.

Eligible Gifts

- Personal contributions actually paid, not merely pledged, to an eligible nonprofit institution in support of its primary objective made in the form of:
 - Cash
 - Check
 - Credit Card
 - Securities having a quoted market value. The value of securities will be the closing market value based on the gift date.
- Gifts that are designated to a particular program or fundraiser for an eligible organization. For example, if your original contribution to State U. was designated for the volleyball team or to sponsor Jane Athlete in a bike-a-thon, just write in that designation in the space provided on this Internet site or when you call the 800# to register your gift.
- The tax-deductible portion of tickets purchased to attend fundraising events for eligible nonprofit institutions.

Ineligible Gifts

- Pools of gifts collected from multiple employees (often for fundraisers). Instead, each employee should register his or her own matching gift requests.
- Non-cash gifts, real or personal property or personal services e.g., works of art, rare books or donated labor.
- Gifts to be used for religious or other sectarian purposes. Note: Gifts to sectarian organizations may be matched at AllianceBernstein's discretion, if the organization uses the funds primarily to benefit people outside of its own membership. For example, gifts to a church soup kitchen that serves the general public will be considered for matching, while gifts to a church building fund will not.
- The value of subscriptions, substantial premiums and other benefits that are associated with a class of membership established by a nonprofit organization. Only the tax-deductible portion of such membership qualifies for a matching gift.
- The non-tax deductible portion of tickets purchased to attend fundraising events for eligible nonprofit institutions.
- Gifts that support political parties or candidates.
- Private foundations
- Donor Advised Funds
