

Ameriprise Gift Matching

Donate to eligible nonprofit agencies throughout the US, and Ameriprise will double the benefit to those communities through the Gift Matching Program.

In 2013, we matched more than \$3.6 million in employee contributions through gift matching.

Gift Matching Program

Contribute to any eligible nonprofit organization and support the causes that are most important to you. Leverage the Ameriprise Financial Gift Matching Program to make an even greater impact. The annual maximum amount matched through the Gift Matching Program is \$2,000 for full- or part-time (at least 20 hours/week) employees, employee advisors who participate in a standard Ameriprise Financial benefit program.

Use the [Ameriprise Community Relations site](https://afi.benevity.org/user) to manage all of your giving and gift match requests in one place: <https://afi.benevity.org/user>

- **Donate money** at any time to eligible nonprofits and track your financial donations. Give through one-time or recurring:

Ameriprise Financial is partnering with Benevity, a firm that specializes in integrating workplace giving and volunteering programs, to host the site. Benevity works with the American Endowment Foundation to distribute funds. The American Endowment Foundation is a tax-exempt 501(c)(3) nonprofit sponsoring organization of donor-advised funds, and administers a donor-advised fund for all people making donations through the Benevity platform, including Ameriprise employees and advisors. Donations you make through the new site will flow through the American Endowment Foundation to your designated nonprofit. Starting in 2014, all tax receipts will be from the American Endowment Foundation and list your designated nonprofit. Nonprofits will receive Benevity branded materials with instructions for viewing donor details when payments are disbursed.
