

## **THE PROGRAM**

The Matching Gifts Program is part of Amylin's continuing efforts to support non-profit organizations that benefit the communities in which Amylin employees live and work. The Program is a voluntary one designed to provide participants with an additional incentive to make a contribution benefiting eligible organizations of their own choosing.

## **HOW IT WORKS**

A cash gift of a minimum of \$250 made to an eligible organization will receive an additional \$250 donation from Amylin. This may be utilized **twice** per calendar year. **OR** A cash gift of a minimum of \$500 made to an eligible organization will receive an additional \$500 donation from Amylin. This may be utilized **once** per calendar year.

**Matching Gifts Program application forms and their donation must be sent directly by the donor to the eligible organizations (their affiliated funds, foundations or associations) during the calendar year in which the contribution is made. The recipient organization must then complete and return the application to the Amylin Matching Gifts Program. Gifts made through donor-directed charitable funds or other third parties (such as United Way) are ineligible.**

Contributions may be paid by cash, check, credit card or by negotiable securities that have a publicly listed market value. The value of the securities, for the purpose of the Program, will be determined based upon the median market price on the date of the gift. **GIFTS MUST BE PAID, NOT MERELY PLEDGED.**

Gifts must be charitable contributions that are deductible for federal tax purposes. Please note the neither Amylin, the employee, board member or any member of their family may directly or indirectly benefit as a result of the matching gift.
