Matching Gifts to Higher Education (U.S. and Canada)

The Anixter Matching Gifts to Higher Education Program was designed to support and enhance the generosity of Anixter employees and our mutual commitment to education. Anixter counts education among its top giving priorities.

How Does the Program Work?

Donor gifts are matched on a one-to-one basis from a gift minimum of \$50 to an aggregate total of \$500 per year. Checks and credit cards are the only acceptable gifts. If the donor makes several contributions, gifts will be matched in the order received, up to the maximum limit of \$500 for the calendar year. The maximum number of contributions an employee can make per year is four. Gifts are matched on a first-come, first-serve basis within budget limitations. Contributions must be a personal, tax-deductible donation. Forms must be received for gift matching within six months of the date of gift. Matching gift payments will be made on a quarterly basis. Match requests received after November 1 will be counted against the donor's maximum for the following calendar year. A matching gift will be based on payments actually made by the employee and not on pledges or commitments made by the employee for future payments.

Who is Eligible to Participate?

- Employees (full-time and part-time of at least 24 hours/week)
- External members of Anixter's Board of Directors

What Educational Institutions are Eligible?

Educational institutions located in the U.S. and Canada that are recognized by the Internal Revenue Service as a tax-exempt public charity under Section 501(c)(3) of the IRS Code or as an instrumentality of the federal, state or local government as provided by Section 170 (c)(1) of the Code. Contributions to these educations and institutions are deductible by the donor for federal income tax purposes.

Eligible educational institutions include independent private college funds, private or public two or four year colleges; graduate and professional schools; technical and specialized schools; seminaries and theological schools and must be accredited by an appropriate nationally recognized accrediting agency.

A tax-exempt fund, foundation or association that is an integral part of the eligible educational institution. These contributions will be matched if it is certified that the gift will be applied directly to support the institution's primary educational objectives. The gift will be made payable only to the educational institution.
