CNA Foundation Matching Gift Plan

The CNA Foundation Matching Gifts Plan ("Plan") allows employees to make contributions to eligible non-profit organizations in the categories of higher education, arts and culture, civic and community, and health and human services.

Who Can Participate

You are eligible to participate in the Plan if you are, at the time of the gift, either a full-time CNA employee, or a part-time CNA employee who has both worked at least 1,000 hours in the previous 12 months and completed at least six months of continuous service.

How the Match Works

The CNA Foundation will match any eligible employee contribution of \$25 to \$5,000 on a one-to-one basis. You may contribute to as many organizations as you wish, although there is a maximum of \$5,000 per employee per calendar year. Gifts must be personal contributions, not pledges, made directly from the employee's individual funds or assets to the organization in cash, securities, check, credit card, or by electronic transfer. If you wish to match donated securities, please contact 312-822-2606 for detailed instructions

Please note that while you may designate how your personal gift is to be used, the CNA Foundation only makes unrestricted contributions. As a result, the recipient organization may use CNA Foundation matching funds as it deems appropriate, so long as the funds are used to support its general operations.

How to Contribute

To apply for matching funds, please complete Section A of this Form. Once you have entered the information, sign and send your contribution or gift receipt and this entire Form to the eligible organization of your choice. A financial officer at the organization will need to confirm your gift, complete and sign Section B, and mail this Form to the CNA Foundation. Upon determining your eligibility, the CNA Foundation will authorize payment. Gifts are matched at the end of the quarter following receipt of this fully signed and completed Form. Please note, this signed and completed Form (Sections A and B) must be received no later than March 1 for gifts made during the prior year.

An Additional Note To Employees

The CNA Foundation reserves the right to refuse to match a contribution to or to terminate an employee's participation in the Plan without liability to any individual or organization. In addition, the CNA Foundation may revise, amend, suspend or terminate the Plan at any time with or without notice. The interpretation, application and administration of the Plan will be determined in the sole discretion of the CNA Foundation and its decision will be final
