Increase your donations

to accredited schools, arts organizations, historical societies, museums or public TV and radio by participating in the Deluxe Corporation Foundation's Matching Gift Plan.

Who's eligible to participate?

- Full-time and part-time employees
- Qualified retirees of Deluxe Corporation
- Deluxe Corporation board of directors

The Foundation only matches gifts made directly to qualified organizations by eligible donors. Gifts made through a private foundation or trust do not qualify for matching.

Which organizations qualify for matching?

- Accredited schools (colleges, universities, junior colleges, vocational technical institutes, and elementary and secondary schools that are recognized by national accrediting agencies or associations)
- Professional arts organizations
- Historical societies and museums
- Public (educational) TV and radio

The organizations eligible for the plan must be:

- Located within the United States
- Nonprofit and nonproprietary
- Recognized by the Internal Revenue Service (IRS) as organizations to which contributions are deductible for federal income tax purposes

IMPORTANT: The Deluxe Corporation Foundation office will not honor matching gifts to organizations associated with controversial activities or primarily concerned with religious or social service activities.

“Gifts” defined

Eligible

Gifts must be personal contributions made—not merely pledged—in cash or securities.

Contributions of securities (stocks and bonds) must include quoted market value on the date of transfer.

If you make monthly or quarterly payments of your total contribution, please process *one* application form with your total annual contributions at year-end. In addition, the Foundation only honors matching gifts that are reported within *four months* of a donor's entire contribution or *four months* following the final year-end payment.

Ineligible

Gifts cannot be in the form of bequests, dues, preferred seating benefits, subscription fees, insurance premiums, tuition, group collections submitted by an individual, or other such payments. Even though such payments ultimately provide financial benefit to an organization, they are not eligible for matching.

Amounts matched

The Foundation double matches qualifying gifts ranging from \$10 to \$2,500 of eligible donors. The \$500 double match benefit is applied to a donor's first matching gift form(s) received in the Foundation office each year. Once the \$500 benefit has been reached, the remaining dollars will be matched on a one-for-one basis. Donors can contact the Foundation office to discuss other options.

The Foundation interprets, applies, and administers the Matching Gift Plan. The Foundation's decisions are *final*.

If total contributions for the year exceed the total amount appropriated for the plan, the Foundation's board of directors reserves the right to prorate gifts according to available funds. In addition, the Foundation reserves the right to revoke, suspend, or terminate the program at any time and has no obligation to match contributions made after that time.

How to participate

- Complete Part 1 of the application form on the back of this brochure
- Forward your contribution with this application form to the eligible organization
- The organization completes Part 2 and sends the completed application form to the Deluxe Corporation Foundation office
- After receiving the completed application form, the Deluxe Corporation Foundation office sends a matching gift to the organization
- The Foundation office matches gifts twice each quarter

The Deluxe Corporation Foundation office will acknowledge the gifts it matches on your behalf after each quarter that you participate. Because some nonprofit organizations process donations more slowly than others, it may take several months for you to receive a statement with your current contribution data.
