The Matching Gift program for 2015 is now closed. Please note: Paper matching gift forms will NOT be accepted after Dec. 1, 2015.

Starting in the summer of 2016, matching gifts will be entered on the **Ecolab Giving Portal**. If you make donations after Dec. 1, 2015, hold on to your receipts. When the online 2016 Matching Gift Program is available in the summer of 2016, you will be able to submit them for a match. Information will be posted to all employees when the portal is open.

Ecolab's Matching Gift Program encourages and rewards Ecolab employee and retiree involvement in the communities where we live and work.
