Matching Gift Program Guidelines

*Edison International believes quality education is one of the greatest investments we can make for the future. The company supports education through a variety of academic enrichment programs and initiatives, including its Matching Gift Program. Edison will match employees' contributions, dollar for dollar, to qualified public and private schools. You may make more than one contribution annually, and can participate at any time of the calendar year.**

Eligible Donors

Edison International will match gifts to qualified schools when requested by:

- Full-time employees with at least six months of service; and
- Part-time employees with at least one year of continuous service.

Eligible Gifts

Employees may make more than one contribution in a calendar year. The Matching Gift Program matches (dollar for dollar) gifts of at least \$25, up to an annual maximum of \$2,000 per employee per calendar year. Gifts must be in the form of a check made payable to the school.

Gifts must be personal contributions actually received by, not merely pledged to, the educational institution. Contributions must not result in tangible benefits for the donor. The following DO NOT qualify for matching gifts:

- Alumni(ae) dues;
- Subscription fees for publications;
- Tuition, books or other student expenses;
- Club donations; or
- In-kind gifts.

Eligible Schools

Edison matches employee gifts to public and private elementary schools, secondary schools, community colleges, and four-year colleges and universities. At this time, Edison International's Matching Gift Program does not include preschools, trade or professional schools.

To be eligible, an educational institution must be located in the United States or one of its possessions and be accredited by a nationally recognized accrediting association. It must also be either designated by the Internal Revenue Service to be a public charity under Section 501 (c) (3) of the IRS Code, or be an instrumentality of a federal, state or local government as provided by Section 170 (c) (1) of the IRS Code.

How To Apply

The employee must:

- Complete Part A of the matching gift form on the reverse side of this page.
- Mail the original form, together with your contribution, to your selected educational institution. (Faxed copies will not be accepted.)

The recipient school must:

- Complete Part B of the matching gift form.
- Return the original form and a copy of the school's IRS tax-exempt letter (if necessary) to the Edison International Matching Gift Program at the address listed.

Edison International makes matching payments after receiving the completed matching gift form and verifying that the gift qualifies. Matching gifts must be requested within six months of the school receiving your original contribution. Eligible gifts will be processed and matched to schools quarterly.

* If you wish to make your donation using payroll deduction, you must apply for a Matching Gift during the annual Employee Contributions Pledge Drive by completing your pledge card. Pledge cards are available at www.easymatch.com/eix or from your Campaign Leader.
