**Entergy's Matching Educational Gift (MEG) Program Information
For All Eligible Employees/Retirees:**

We are happy that so many of you are participating but we need your help to avoid delays in the process.

Current application form (dated 7/26/06) is enclosed. Please do not use any older forms; some go to an old address and never get to the Corporate Social Responsibility department.

Contact: Christine L. Jordan, Corp. Social Responsibility
Ph: 504-576-7705   e-mail: cminor@entergy.com
Mail Unit: L-ENT-8A

Eligible Institutions: High Schools, Colleges, Universities

Minimum Donation: $25.00
Maximum Donation: $3,000.00 per employee/retiree per year

Preferred Method of Payment: **PERSONAL CHECKS or MONEY ORDERS**
(Please note that funds need to come from a personal account that has the employee's name on it and not a business account; online donations, credit card donations and securities need special documentation which many institutions cannot provide in a timely manner. We may ask you to submit a print-out of your credit card statement, sign the documentation we receive from the institution or confirm your donation by e-mail.)

IMPORTANT NEW PROCEDURE – BUNDLED PROCESSING

Completed applications received from the institutions will be processed twice a year in April and November. The deadlines by which we need to receive completed MEG forms from the educational institutions are March 31st and October 31st. **PLEASE NOTE THAT YOUR ANNUAL BALANCE WILL DEPEND ON WHEN THE MATCHING CHECK WAS PROCESSED, NOT WHEN YOU MADE THE PAYMENT.** Unfortunately, we frequently experience delays after receiving applications (e.g., no attached check, no signature, illegible or conflicting information.) Any application that we receive after October 31st (or any application that was incomplete on that date) will be processed in April of the following year. **Due to budget considerations, your donation will then count against your balance/limit of the year the company match was paid. Please keep this timeline in mind when making your donation.**
