

Law School Matching Gift Program

The Faegre Baker Daniels Foundation Law School Matching Gift Program is designed to stimulate interest in the active support of legal education and to encourage each lawyer and consultant who is a licensed attorney ("Legal Professional") to make a personal contribution to the law school from which the Legal Professional graduated. The program, and the procedure to request a matching gift, is described below. The Foundation reserves the right to discontinue or change this program, at any time without notice.

WHO IS ELIGIBLE TO PARTICIPATE?

Each Legal Professional with an active license to practice law is eligible to participate in the program.

WHAT INSTITUTIONS ARE ELIGIBLE?

The law school from which each such Legal Professional received an LLB or a JD is eligible to receive a matching gift from the Foundation with respect to a gift from that Legal Professional. The recipient law school must be a governmental unit or an organization described in section 501(c)(3) of the Internal Revenue Code.

WHAT GIFTS ARE MATCHED?

Gifts of \$100 or more by an eligible Legal Professional to an eligible law school are eligible for a one-to-one match, up to a total of \$250 per eligible Legal Professional in any calendar year. To be matched, a gift must be in cash or publicly traded securities actually transferred to the school. Pledges will not be matched until actually paid. When securities are given, their value will be the average of the highest and lowest quoted selling prices on the valuation date. The Legal Professional's gift may be restricted for a certain purpose or program or unrestricted. All matching gifts by the Foundation, however, will be unrestricted.

ARE THERE GIFT LIMITATIONS?

Payments by eligible Legal Professionals of tuition, other student fees, or dues to alumni or other membership groups associated with the law school are not regarded as gifts eligible for matching. Similarly, the Foundation will not match payments by eligible Legal Professionals for tickets, tables, tournaments or other fundraising events or activities from which the donor receives a benefit, the value of which is disclosed to donors for tax purposes.

WHAT IS THE PROCEDURE?

Gifts may be requested at any time during the calendar year. The Legal Professional completes **PART 1** of the Law School Matching Gift Program Remittance Form (opposite) and mails the entire leaflet to the school along with the gift. The appropriate financial officer of the recipient law school completes **PART 2** of the form and returns the form to the Foundation as directed. Upon confirming eligibility of the gift, the Legal Professional and the recipient law school, the gift will be matched by the Foundation.
