How to Contribute

Employees must complete Part A of the application and mail it with your contribution to the nonprofit organization. An authorized officer at the nonprofit should then complete Part B and send it to the address at the top of the form within 180 days of the date of the gift. After verification that your gift has been received and the nonprofit qualifies for the gift match, a check will be forwarded to the organization. Matching gifts are processed quarterly. You may track your donations on the Goldman Sachs Matching Gift Web site by clicking on Your Giving History.

Program Administration

The administrators of the Goldman Sachs Matching Gift Program reserve the right to make the final determination regarding the eligibility of both donors and recipient institutions. The administrators further reserve the right to discontinue or amend any part of the Program without prior notice.

Payments are made on a quarterly basis, on or about the 30th of January, April, July and October, for applications received by the last business day of the previous month. You should allow time for processing by submitting your gift well in advance of the disbursement periods. Applications received after the dates indicated above will be processed in the next quarter. For example, an application received on January 1, will be paid in April.

Allow an additional three months for processing applications received from organizations outside the United States and Canada.
