

Donation Matching Program Guidelines

Intuit encourages and supports employees' community involvement efforts. Our **We Care & Give Back** Program offers the Donation Matching Program, which provides matching funds to charitable organizations that employees contribute to, *and/or* funds raised through an individual's personal efforts for a charitable organization. We match donations made by eligible employees, dollar for dollar. The match may include a Donation Match, Fundraising Match, or any combination of the two, up to a maximum of \$1,000 per employee per fiscal year. Fiscal year is from August 1 – July 31. An annual budget has been allocated to this fund. If this budget limit is reached, payments for the year will be suspended and any employees who apply will be notified.

WHO CAN PARTICIPATE?

All active employees who work 20 or more hours per week and Intuit seasonal employees who work 20 or more hours per week with 6 months or more of consecutive service. Donations from Spouses/Partners are not eligible.

WHICH ORGANIZATIONS QUALIFY?

Intuit matches donations to tax-exempt nonprofit organizations – that is, organizations with 501(c)(3) status in the United States. This includes organizations such as colleges and universities, private and public elementary and secondary schools, civic organizations, arts and cultural organizations, health and human service agencies and environmental organizations. (Schools are eligible if they do not promote a specific religious viewpoint.)

To qualify in Canada, an organization must be recognized by the Canada Customs and Revenue Agency [CCRA] as a charity, and meet the other guidelines below.

Before matching any donation or money raised, Intuit verifies that the recipient organization qualifies for the program.
