MATCHING GIFT PROGRAM GUIDELINES

The Lincoln Financial Group Foundation Matching Gift Program exists to encourage employees, financial planners, and retirees to participate in their communities by supporting human services, arts and culture, and education projects. Qualifying individuals must adhere to the following guidelines and requirements.

Through the Matching Gift Program, the Lincoln Foundation will match, dollar-for-dollar, contributions to qualifying nonprofit organizations on a monthly basis. Forms received after December 1 will be matched in the following calendar year, but will be applied to the prior year's limit. Applications received after March 1 for a gift made the previous year will not be accepted. Matching gifts are made to recipient organizations on an unrestricted basis. The minimum amount eligible for a matching gift is \$50. The annual maximum for donors varies according to donor class.* Contributions must qualify as a tax deductible gift, not a pledge, group gift, or tuition payment, and donor must not derive any direct or indirect financial benefit or receive any other consideration of any kind as a result of his/her contribution. A donor may submit only one application per organization each program year. Once the donor reaches the annual maximum, no more applications will be accepted for that donor. In addition, matching gifts are available on a first come, first serve basis. Once the Matching Gift Program funds are depleted, applications will no longer be accepted.
