OUR MISSION

The Lionakis Foundation exists to promote, through philanthropic giving and volunteerism, *a better future* for the communities in which we work and live.

OUR VISION

Together we will commit the resources - our time, our money, and our passion - to organizations that improve the health, education and sustainability of the regions we serve. We will encourage each individual to “give back” with matching incentives and will partner with local organizations to expand our philanthropic reach.

Between now and 2027, we will build an endowment of one million dollars, our legacy, that will ensure the future of the Lionakis Foundation.
