

PSCU Financial Services

PSCU Financial Services recognizes the importance of charitable donations and supports your contributions by matching up to \$100 per employee, per year for charitable contributions. In order to receive PSCU Financial Services' matching donation, your contribution must be a minimum of \$25.

Full-time and part-time employees are eligible who contribute up to \$100 to an eligible organization who qualifies to participate. Employees still within their 90-day probationary period are not eligible.

You can participate by obtaining fund matching paperwork from the designated organization. This paperwork confirms the contributions will be tax deductible and that the organization is recognized under the IRS code 501(c)3. In addition, please complete the online template entitled [Charitable Contributions Company Matching Request Form](#), attach the designated organization's fund matching paperwork, and forward the forms to Melanie Kesler, Human Resources for processing.

Funds for this program are available on a first-come, first-serve basis
