- All eligible donations will be matched on a one-for-one basis.

- All dollar limits are based on the date of the donor's gift, not the date the matching gift is processed.

- All matching gift requests must be received by Philip Morris USA within 90 days from the date of the gift.

- When multiple payments are given throughout the year to the same organization, each individual payment must meet all gift conditions.

- Donors' contributions must be personal gifts that are actually paid, not merely pledged.

- Gifts may be given in the form of checks, credit cards, or negotiable stocks.

- The value of the matching gift for stocks will be determined by the average price of the stock on the date of the gift.

Terms and Conditions

- Philip Morris USA reserves the right, without prior notice, to discontinue or amend this program at any time, and also reserves the right to refuse a gift to an organization without explanation.
