*Enhancing associates' contributions  
to our community*

## Together we are better.

*By serving our community responsibly through philanthropy, associates help carry on the Company's long-standing reputation of being a good neighbor. Through the Matching Gift Program, the Securian Foundation matches associates' contributions to eligible nonprofit educational institutions, arts and cultural organizations and hospitals.*

*This program is sponsored and administered by Securian Financial Group, Inc. for eligible associates and the associates of its subsidiaries/affiliates who have elected to participate in the program. Employees of participating companies are eligible to participate in the program under the same terms and conditions as if they were Securian associates.*

### Who can request a matching gift?

Funded by the Securian Foundation, the Matching Gift Program can double your financial gifts to nonprofit organizations. You can request a matching gift if you are a Securian:

- Benefits-eligible associate who has completed one year of service;
- Retiree who receives a pension from the Company; or
- Member of the Board of Directors.

### What are the minimum and maximum dollar amounts that Securian matches?

The Foundation will match your contributions of \$35 or more up to a total of \$2,000 per calendar year. You can request matching gifts for more than one organization if each of your contributions is at least \$35 and the total of all contributions does not exceed \$2,000.

### What organizations are eligible?

You can request matching gifts for any of the following types of nonprofit organizations:

- **Arts and cultural** including museums, theater, opera, orchestras, public radio and television stations, zoological societies, arboretums, united arts funds and libraries in the Twin Cities metro area and in communities where the Company has offices.
- **Educational** organizations including:
  - Elementary and secondary schools in the U.S. that are fully accredited by the Department of Education.
  - Technical and specialized schools; two- and four-year colleges and degree-granting graduate schools that are located in the U.S. and are listed in the Educational Directory of Colleges and Universities or accredited by one of the six nationally recognized regional accrediting commissions.
- **Hospitals** in the Twin Cities metro area and in communities where the Company has offices.

*Eligible organizations must be recognized by the Internal Revenue Service as tax exempt and to which contributions are deductible for income tax purposes.*

### What gifts are eligible?

Each gift must be a charitable contribution with no services, benefits or items of value accruing to you or anyone designated by you in return for the contribution or the matching contribution. For example, if you donate \$150 to a cultural organization and \$50 of the gift is considered membership dues with accompanying membership benefits, the dollar amount matched by the Foundation would be \$100.

Your gifts must be paid, not merely pledged. You can pay by cash, check, money order or in marketable securities. Gifts of stock are valued according to the stock exchange listing as of the donation date.

*Ineligible gifts include gifts less than \$35; gifts made in lieu of fees or ticket sales; dues paid to alumni associations, rather than to educational institutions; gifts for which reimbursement of any kind is made by another individual or organization; gifts to individuals; gifts as a substitute for tuition payments; and grouping gifts to achieve the \$35 minimum.*

**How do I request a matching gift?**

1. You complete Part I of the application and mail it with your gift to the organization.
2. The nonprofit organization completes Part II of the application and mails the application to:  
**The Matching Gift Program, 19-3448**  
**Securian Financial Group, Inc.**  
**400 Robert Street North**  
**St. Paul, MN 55101-2098**
3. The Securian Foundation sends a check to the approved organization and an acknowledgment to you. Please allow three weeks for approval.

*Due to holiday season mail delays and year-end budget considerations, applications must be received at the Matching Gift office by December 15, of the year you want your gift matched. Gift applications received after that date will be matched in the following year.*
