Wisconsin Energy Foundation Matching Gifts Program

Wisconsin Energy Foundation's Matching Gifts Program presents an opportunity for eligible individuals to join with the company to provide financial support to local arts and cultural organizations in Wisconsin and the Upper Peninsula of Michigan, and educational institutions throughout the country.

The foundation will match your gift to recipient organizations with a cash payment of equal value within the provisions described in this brochure. Although you may specify a gift for a particular purpose, the foundation's matching gift will be unrestricted.

Eligible Individuals

• Active and retired* employees of Wisconsin Energy (WEC) and its domestic subsidiaries.

Eligible Organizations and Institutions

- Non-profit arts and cultural organizations located in Wisconsin and the Upper Peninsula of Michigan
 that are recognized by the IRS as 501(c)(3) tax-exempt institutions. Arts and cultural organizations are
 broadly defined to include: arts councils; art education; dance companies; symphonies and opera
 companies; theaters and theater companies; art centers; libraries; historical societies; museums of art,
 history and science; planetariums; public radio and television; historic preservation organizations;
 and zoos.
- Any elementary, middle, secondary, or postsecondary educational institution organized and operated
 in the U.S. that is accredited by a recognized accrediting agency. This includes educational funds and
 foundations, scholarship funds, and tuition assistance programs associated with accredited educational
 institutions described above.

Eligible Gifts

- Personal contributions in the name of the employee between \$25 and \$20,000 total for arts/culture organizations and for educational institutions per individual per calendar year will be matched.
- Gifts of cash or marketable securities must be paid, not merely pledged. Securities must have quoted market value.
- Memberships in cultural organizations (such as public television) are eligible when they are tax
 deductible and function primarily as contributions. The foundation's gift should not be used to enhance
 the status of the individual donor.
- The completed form must be received from the beneficiary organization by Dec. 31 of the year following the year in which the gift was received.

^{*}Eligibility determined upon retirement.
