

Across our business, we have witnessed the incredible commitments our employees have made to their communities. This year especially, we've made tremendous impact by donating to worthy causes, making time to virtually volunteer at home, and joining in the fight for social equality. And now through November 20, we have the opportunity to make a greater impact through the Employee Giving Campaign!

We've moved to a new platform called Benevity, which has allowed for employees worldwide to support the causes they care about most. It brings enhancements like a greater number of eligible organizations, flexible giving options and Charity Rewards. Visit our [campaign FAQs](#) to learn more.

Take action today.

Review Your Pledge

As part of the new platform, we migrated all active recurring payroll deductions. It is important for you to first review your pledge(s) to check for accuracy. From here, you can make edits or leave as is if you are happy with your current giving.
