

What is the Home Depot Foundation Matching Gift Program?

At the Home Depot Foundation, we focus our charitable giving on affordable efficient healthy housing and healthy urban wild land forest.

Another important objective of the Foundation is to support The Home Depot associates' participation in their communities on an individual basis through our Matching Gift Program. Our Matching Gift Program allows The Home Depot associates and board members to use Foundation funds to increase their support for charities reflecting their personal interests and causes.

The Home Depot Foundation will match individual associate gifts ranging from \$25 to \$1,000 per charity, per year on a dollar-for-dollar basis for full-time and part-time associates. There is a \$3,000 cap per associate per calendar year.

How do I make a Matching Gift?

There are three methods available for you to register your charitable gift and obtain a match for eligible organizations from The Home Depot Foundation.

1. Register your gift on the website at www.givingprograms.com/homedepot
2. U.S. associates may also register their gift by phoning 1-888-628-2442.
3. Download the form from the Programs page of this website and mail it with your gift to the eligible organization. The organization will complete its portion and submit the form to: Home Depot Foundation Matching Gift Center, P. O. Box 9002, Stuart, FL 34995.
