

Employee Matching Gift Program

InterContinental Hotels Group's matching gift program provides matching gifts in support of employee cash, check or credit card contributions to charitable and educational institutions.

This program is open to Americas-based employees in the Ravinia office, Data Center, and Business Service Center as well as U.S. Reservation Center and corporate field-based employees. Hotel employees are not eligible at this time.

A minimum donation of \$25 is required to be eligible for a matching gift. Eligible gifts will be matched 100% up to \$1,500 per employee, per organization, per year. Matching gifts will be made on a first-come, first-served basis starting January 1st of each calendar year and will end when the budget for that year has been depleted. There is no limit on how many times an employee may apply. (Note: The \$1,500 maximum match includes both donations made via payroll deductions from the Giving Campaign and via cash, check or credit card through the matching gifts program.)

Visit our new online system – www.easymatch.com/ihg - to make your charitable donation online and request a matching gift.
