## The program

At Wells Fargo, we recognize that our company, stockholders, team members, and communities all benefit when educational institutions are supported. The Educational Matching Gift Program matches donations — dollar for dollar, from \$25 up to \$5,000 per team member, per calendar year — made to accredited public universities and colleges, school districts, and schools; accredited private universities, colleges, and schools that are IRS-designated 501(c)(3) charitable organizations; accredited charter schools that are operated by a school district or are IRS-designated 501(c)(3) charitable organizations; and foundations that support a school district or any of the above-mentioned public, private, or charter schools.

---

## Eligible participants

All active regular, part-time, or flexible team members of Wells Fargo or any of its subsidiaries are eligible and encouraged to participate. Active executive Wells Fargo Board members are also eligible. Wells Fargo retirees are ineligible to participate.

## Processing donations
